Suspensions for a number of matches (match suspensions) will be imposed based on the Association's fixed penalty guidelines as detailed in the appendix. There is no right of appeal against a Fixed Penalty suspension.

These suspensions will apply only to the team with which the player committed the misconduct (i.e. Saturday club or Sunday club) and will apply until such times as that team has completed the requisite number of matches played in competitions which are scheduled by the relevant national, regional, district, association or league Match Secretary/Secretary.

A match which is abandoned or which has been forfeited as a consequence of a club being debt suspended does not count as a completed match in terms of a player serving a suspension.

B. Serious Offences of Exceptional Misconduct

1. Referee assault

2. Physically threatening a referee

3. Verbally threatening a referee

4. Physical assault on or by club officials

Any match suspension or part thereof which is outstanding when a player joins a new club at the start of the season or is transferred to another club during the season must be served with the player's new club and the player will be ineligible to play for his new club until that club has played and completed the required number of matches.

A player can only serve a match suspension if he is registered with a club in membership of the Scottish Amateur Football Association and will only begin to serve his suspension from the date of his registration being accepted by the relevant authority.

When a player playing within the Highlands and Islands Region receives a game(s) suspension, that player is ineligible to play for any other club in membership of the Highlands and Islands Region of the Scottish Amateur Football Association until the team with which the player incurred the suspension has completed the requisite number of games.
