Advent® DT

Advent® DT - tablets, combining two medicines: 400mg of Amoxicillin and 75mg of Clavulanic Acid. Amoxicillin is an antibiotic. It works by preventing the formation of the bacterial protective covering which is essential for the survival of bacteria. Clavulanic Acid is a beta-lactamase inhibitor that reduces resistance and enhances the activity of Amoxicillin against bacteria.

Active ingredient: [Amoxicillin/clavulanic Acid](#)

Brand(s): Advent DT
Manufacturer: Cipla
Disease(s): Bacterial Infections

Advent® Dispersible Tablets

What is this product?

Advent® DT - dispersible tablets, combining two medicines: 400mg of Amoxicillin and 75mg of Clavulanic Acid. Amoxicillin is an antibiotic. It works by preventing the formation of the bacterial protective covering which is essential for the survival of bacteria. Clavulanic Acid is a beta-lactamase inhibitor that reduces resistance and enhances the activity of Amoxicillin against bacteria.

Why it's used

Advent DT Tablet is used to treat certain infections such as urinary tract infections which include inflammation of the kidney (pyelonephritis), and infection of the wall of the urinary bladder (cystitis), skin and skin structure infections such as serious bacterial skin infection (cellulitis), lower respiratory tract infections which include inflammation of the airways (bronchitis) or infection in the lungs (pneumonia). This medicine is also used to treat acute bacterial inflammation within the nasal passage (acute bacterial sinusitis), acute middle ear infection, gum swelling, and infection from animal bites. This medicine works by killing the growth of bacteria that cause infection.

When not to use

Advent DT will not work against colds, flu, or other viral infections.
Penicillin-class Antibacterial
Advent DT is a prescription medicine that belongs to a class of medicines called Penicillin-class Antibacterial. Penicillin are a group of antibiotics that are used to treat and prevent different type of bacterial infections.

How to use

Follow directions on the product label, information guide, and provided by your doctor before using Advent DT. Consume this medicine as per your doctor's instructions.
