Levitra Super Force

Levitra Super Force - is the newest and most modern drug on the international pharmaceutical market! Each tablet contains a combination of two active ingredients: Vardenafil 20 mg (which increases blood flow to the genitals) and 60 mg of Dapoxetine (which prevents premature ejaculation). The drug has a wide range of applications, it can be used not only for the prevention of premature ejaculation, but also to improve erections and prolong orgasm. Buying two drugs in one, instead of ordering the drugs separately, you save a sufficient sum of money and feel more comfortable while taking only one pill!
