What is this medication?

Kamagra Polo® chewable tablets are the FASTEST working product by Ajanta Pharma with some customers reporting results within 10 minutes! These polo shaped tablets come in a blister of 4 and simply dissolve within a few minutes and can be taken discreetly. They can be chewed or sucked and come in a variety of flavors including Strawberry, Lemon, Pineapple and Mint. The effect of the drug lasts approximately 6 hours, which is also typical of most Kamagra Polo® products.

Each pack contains four polos in four different fruit flavors. What's more, they do not look like medicine, so you can keep them in your pocket.
