# A Word From The Vice President

On behalf of the Scottish Amateur Football Association, I am delighted to welcome Leinster Senior League to Scotland once again for our Graham Harkness Memorial Trophy fixture.

As most will understand I personally have mixed feelings about today, being as earlier in the year, our President, Rex Gallacher, passed away soon after being diagnosed with terminal cancer, and I and our fellow SAFA members miss him greatly.

Rex was, of course a great champion of our fixtures with Leinster Senior League, and of our International team in general, and I know he would not want us to be mourning his passing on a day like today, but more he would want us to, as usual, savour the occasion, and I hope on behalf of my colleagues that Leinster Senior League again enjoy their trip over here to Scotland, although naturally I would hope that our Scottish Amateur F.A. team can overturn last year's result.

Today's fixture between SAFA and LSL, has been played for over 30 years, and it is always a pleasure to meet with friends old and new with our Irish colleagues, and whilst the result of the match is always important, this is about Amateur Football at his best, and friendship in general, so as I say we hope all participants enjoy their day.

It would be remiss of me not to mention our International Committee, ably led by their Chairman, David Ramage, who over the year put huge effort into making the fixture happen, and of course Bruce McNaught with his backroom staff and players who have come together over the last few months, their commitment and hard work is to be complimented.

I hope all concerned have a great day, and that all the players and coaches enjoy the experience and prestige such a fixture brings, and of course that both teams play to their full potential..... But naturally that the home side regain their grip on the Graham Harkness Memorial Trophy.

**Stuart Urquhart**

# A Word From The Chairman

I would like to extend a warm welcome to the Leinster Senior League travelling party for this meeting to contest the Graham Harkness Memorial Trophy.

The occasion will be tinged with sadness as this will be the first International played since the death of Rex Gallacher, our President, who gave great support to the International Team both as President and in his previous role as International Committee chairman.

It was disappointing to lose 2-0 in last year's contest in Dublin to lose our grip on the Trophy so manager Bruce McNaught and his back up team, and the players, will be keen to make amends. The management team have spent a great deal of time scouring the country for players and have done a tremendous job in recruiting fresh faces to form a strong squad and I am sure they will be well prepared for the challenge today.

The game will without doubt be competitive but hopefully played in the right spirit. It is an honour for any player to represent their Association and I hope that all players enjoy the experience.

I would like to take the opportunity to thank the members of the International Committee for their invaluable contribution and support to me as Chairman of the Committee. I would also like to thank Thomas McKeown, the National Secretary, and Stephen and Mary at the office for all the hard work that goes into organising this weekend and their work in supporting the Select Squad throughout the year.

# A Word From The Leinster Chairman

I am looking forward to a great game this year as I am sure Bruce has his players ready to do battle to regain the Harkness Trophy from the Leinster Senior League.

It is always a pleasure to meet up with old friends and some new ones, and also a sad occasion as we lost another top football man in Charles (Rex) Gallagher. Our thoughts and prayers are with him and his family today.

This is Andy's first time in charge for this fixture and he and his staff have put together a strong squad and we hope to bring back the Graham Harkness Trophy to Ireland.

My thanks to the committee of the SAFA for organising this event and to my own LSL committee for their help in the preparations for the game.

Congratulations to the four officials selected for today's game, I really hope they enjoy the occasion.

I know the game will be competitive but played in the right spirit. It is an honour for any player to represent their league or association and I really hope all the players enjoy the game.

Our aim is to win the match and the sing song and we have some real talent on and off the pitch.  
Best of luck to all.
