RJM Sports Sunday Trophy Semi-Final
Crownpoint United (SCAFL) Vs Overlee Partizans (SCAFL)
Sunday 8th April 2018
Ochilview Park, Stenhousemuir

On behalf of the Scottish Amateur Football Association, I would like to welcome you all to The Dumbarton Football Stadium to watch this year's RJM Sports Sunday Trophy Final between Crownpoint United AFC and Drumchapel United AFC, a game which I am sure will serve up exciting entertainment.

We are as always indebted to the sponsor of this trophy, RJM Sports, who continually support the Association in various competitions in our diary, but RJM are and have been for sometime now especially enthusiastic regarding The Sunday Trophy, and we thank Robert Marshall and his colleagues for their efforts throughout the season.

I offer my hearty congratulations to the players and officials of both Crownpoint United and Drumchapel United on reaching today's Final, it has been a titanic effort for both clubs to get to this stage of the competition, and of course I wish them both well in the match today.

I think it would be remiss not to mention the fact that both clubs represent the Sunday Central Amateur Football League, indeed all the semi finalists did, so I think this is testament to the quality of that particular league, and I congratulate SCAFL on this achievement also.

The Scottish Amateur FA, are sincerely grateful to the Directors and staff of Dumbarton FC, for the use of the stadium, particularly in view of the short notice afforded to them! Using such a ground enhances the competition, and is an extra incentive for all the players involved.

I also congratulate the match officials on their appointments, Referee Ewan Cruickshanks, Assistants Adrian Brown and Kieran Whalen and not forgetting Fourth Official Colin Flucker, I'm sure we wish them all well for the match.

Finally, it is clear that such competitions do not run by themselves and I would like to thank Referee Co-ordinator, Gordon Farmer and Technical Adviser Stephen McLaughlin, for bringing the competition to its conclusion here today, and of course the work and assistance provided by National Secretary Thomas McKeown and Administrative Assistant, Mary Jardine, not forgetting all the Match Secretaries at League and Association Level, the work of the aforementioned should never be taken for granted and certainly not go unnoticed.

I hope all in attendance will enjoy the day, and may the best team on the day be victorious.

Thomas Clark (Goalkeeper)

The big man had been outstanding in the Scottish cup run and has got us through 3 penalty shoot outs.

Thomas Hollis (Goalkeeper)

Timmy is another highly sought after keeper who is just waiting for his chance to establish himself between the sticks.

Marco Kinnaird (Defender)

Marco is a great young centre half with bags of pace who's put in some massive performances for crownpoint this season.

Jay Wallace (Defender)

Jay has recently just joined and has slotted in like hes been here for years, great in the air and loves a tackle.

Brandon McCauley (Defender)

Brandon is one of the most skilful players in the side with bags of ability and could certainly play at a higher level.

Craig Byrne (Defender)

Left back Craig is another who has had a very good season, plays with his heart on his sleeve.

Michael Gallagher (Defender)

Mick was brought in for his experience and tough tackling, a player the boys look up too.

Robert McAllen (Defender)

One of the best young left backs about he's pacey and loves a tackle, just needs a chance to get into the team.

David McClure (Defender)

Oldest player in the team but when called upon he gives his all, tough tackling defender who would put his head through a wall for the team.

Curtis Findlay (Defender)

Right back with a great engine who's struggled with injuries this season, will be good to see him back playing again soon.

Charles Evans (Defender)

Our club captain was a rock last year but has been injured since the first game of the season , another we look forward to seeing back on the pitch.

Warin Omar (Defender / Midfielder)

Gio has bags of ability and can play a number of positions which helps the team out massively.

Robert Cowie (Midfielder)

Cowie joined the club at the start of the season and soon made his name scoring with minutes left to put us through the first round another quality player.

Thomas McGuinness (Midfielder)

Last year's player of the year and up there for it again this year, a game changer who can produce a bit of magic out of nowhere.

Phillip Morrison (Midfielder)

Phil is a battling midfielder who gives his all every single game, a joy to have in your side a nightmare for the opposition.

Mark Devvenny (Midfielder)

Tough tackling hard working midfielder who never backs out a challenge.

Alexander Lynn (Midfielder)

Aldo has recently just joined the club but has had a major part to play, hes played pro youth level, scored the equaliser in the semi with a stunning volley.

Alan Duncan (Forward)

The big man wins games on his own with his goalscoring instincts, put up through in the quarters with a last minute thunder bolt and scored an overheader in the semi.

James Morcombe (Forward)

Jie is a pacey player who's been with the club since day one , always working hard and scores goals every time he plays.

Chris Chalmers (Forward)

Chris is probably the fastest and most hard working in the team, doesn't give the opposition a minutes peace.

Nico Petrucci (Forward)

Nico is a match winner on his own his movement and hard work and willingness to play where needed is great for the team.

Manager: James Harvie

Current manager James captained the club for 7 years before deciding to hang the boots up at the same time John was calling it a day. He's stamped his mark early on in his managerial career taking the club within minutes of a league title in his first season and now taking them to the Sunday trophy final in his second season. He wants the boys to play an attractive breed of football which is rarely seen on a Sunday with so many teams opting to play long ball and has every faith in the boys that they can give it one last push and bring some silverware to the east end of Glasgow.

Assistant Manager: William Wallace

William brings a wealth of experience having won league titles etc elsewhere, his team talks and the way he holds himself means the players look up to him. His high expectations of the team rub off on everyone around the club.

Assistant Manager: Steven Tannahill

Stevie has been through it all with the team from the early days when we were on the receiving end of some heavy defeats till today where we are playing in the Sunday trophy final, a bitter sweet moment for him I'm sure.

Club Founder: John Tannahill

John ran the team for nearly 8 year with the help of his son Graeme who deals with the teams IT along with current assistant Stevie until he felt he couldn't take the team any further and current manager James was hanging up the boots at the same time they both decided to keep the team going with James in charge and John and graeme doing there bit in the background. He takes training with the boys on a Thursday and helps us out whenever needed.

IT: Graeme Tannahill

Graeme has been our IT guy from day one helping us with printing the teamlines for Games, registration forms and any general IT stuff, hes one of the main reasons the club runs so smoothly on a weekly basis, Mr reliable never let's us down.

Crownpoint United AFC were formed in 2008.

Just a group of friends who wanted a game of football on a Sunday.

John Tannahill ran the team from then until 2015 when current manager took over and changed the look of the team by bringing in his mates who had all played at a decent level.

We finished season 2016/17 2nd in Division 2A only losing one game to a last minute goal from Sporting Pumas AFC.

We were then promoted to the Premier League and are now playing in the Sunday Trophy Final.

DRUMCHAPEL UNITED AFC HISTORY

RJM
SPORTS

Drumchapel United was established in 2001 to bring together a couple of different teams in our area to become one and over the years have won various leagues and cups at all ages and representing the club in various tournaments at home and abroad.

In 2014 the club decided that it was going back to its roots to serve our community of Drumchapel better and decided on the following:

To develop boys/ girls/youth/adult football in the Drumchapel area creating a progression pathway from pre 5's through to the adult side. The club will strive to help develop and improve on the moral and physical well being of all club members, helping them to develop positive attitudes and to have the respect of others by the demonstration of good behaviour.

We also created a framework for bringing volunteer coaches into the club, progressing them through the coaches pathway for young and older footballers.

Through the community side of the club we have done, Foodbank drops, community clean ups, Visited our local care facilities for the elderly, participated in running the Drumwealth games every June for local P6, P7 and first year pupils and ran football coaching in several local primary schools.

We have also started a youth coaches leadership programme developing young people at our club who are wanting to go on and coach at our teams, giving them the knowledge and skills to achieve.

In February 2017 the club were awarded Legacy status for all our work at the club through football and community, one of only a handful in Scotland.

In November 2017 the club was awarded "Best Grassroots Football Team in Scotland" by the SFA.

Today the club is growing in size and in stature, we have 21 squads at the club now offering boys and girls a player pathway, we also have our Tigers which is a pre school team and at the moment looking to develop Para football, a women's recreational team, a new girls soccer academy aimed at girls who have never played the game.

We recently created a partnership agreement with Glasgow Life to call the Donald Dewar centre our home where all our clubs train and our girl's teams and 11 aside competitive teams play all there home games.

The clubs one real aim is to tell a positive story about our home Drumchapel.
