A WORD FROM THE CHAIRMAN

On behalf of the Scottish Amateur Football Association I am pleased to welcome you to New Douglas Park for tonight's Colville Park Country Club West of Scotland Amateur Cup Final. This is the 93rd year of this prestigious competition.

Tonight's finalists are from the Scottish Amateur Football League (Goldenhill AFC) and the Ayrshire Amateur Football Association (Shortlees AFC). Whatever happens this evening there will be a new name on the Cup as neither has won it before. More information on the participants is included within your programme.

Tonight's Final Tie is the culmination of another highly competitive and entertaining tournament.

Once again we are indebted to Colville Park Country Club for their continued sponsorship of the West Cup. The SAFA much appreciates the support they provide Amateur Football in West Central Scotland.

Our heartfelt thanks are also due to Hamilton Accies FC for providing the venue for both semi finals and tonight's Final. I offer a particular word of appreciation to Scott Struthers for his invaluable assistance in helping these events run smoothly.

My thanks go to my colleagues on the West of Scotland District Executive all of whom have worked tirelessly to bring the competition to tonight's conclusion. Special mention must go to our Match Secretary Jim Robert, Secretary John Rodgers and our IT boss Graham Mair.

Jim Robert in his first season as Match Secretary has performed the sometimes difficult task in a highly professional manner. They are ably supported in Committee by Lindsay Wallace, Jim Soutar, John Duncan and Graeme Robertson.

As we all look forward to tonight's game it only remains for me to wish both teams the best of luck.

A WORD FROM THE MATCH SECRETARY

There will be a new name on the West Cup after tonight's Final as neither Goldenhill nor Shortlees have won the Competition in it's 93 years history. Both Clubs will be making their first appearance in the Final, in what should be a fantastic spectacle of football.

302 Clubs entered this Season's West Cup and the Final is the 9th Round of the Competition. There will be an element of luck on the way to the Final, but judging by the Semi-Final performances of both Clubs, undoubtedly, a high level of skill and hard work to achieve the results which bring them to New Douglas Park, Hamilton tonight.

Goldenhill progressed to tonight's Final Following a 1st round bye, then wins at Lomond Vale and Kilbarchan Thistle, before defeating Carrick 6-4 after extra time, at home. An impressive 3-1 win away to Possil YM took them to the 6th Round and a 2-2 draw with Bannockburn before winning the penalty shoot-out 5-3. Similarly, a 3-3 draw in the Quarter Final against Hurlford Thistle was decided with again a 5-3 penalty shoot-out win. An excellent Semi-Final performance saw them win through 2-1 after extra time against Colville Park, having gone behind in the opening minutes of the match.

Shortlees also received a 1st Round bye before defeating Cambusnethan Talbot (SSMFL) and Mearns, followed up by a 2-0 win at home to Cumbernauld Colts. A comprehensive 9-2 win over East Kilbride Thistle and 4-0 win over Dalziel HSFP took them through to the Quarter Final against East Kilbride FC and an impressive 7-2 win set them up for a Semi-Final tie with Scottish Amateur Cup holders Harestanes. An excellent match was played out for the first hour or so but once the second Shortlees goal was scored it was difficult to see the Ayrshire side being denied a place in the Final and they ran out worthy 4-0 winners.

It would take a brave person to call the winner, but one thing is for certain, both teams fully deserve their place in tonight's Final.

The Association has selected James Gallacher to Referee tonight's Final and along with his three Assistants we wish them well for the match.

The Staff and Players of both Clubs have worked hard to reach this stage and we wish you all well and know that at the end of the evening there will be very different outcomes for you both, but hopefully an exceptional piece of skill will be the deciding factor.

Good luck, enjoy the match and may the best team win!

GOLDENHILL AFC

SCOTTISH AFL

Goldenhill Amateur Football Club based in the Clydebank area may appear from the outset to be a relatively new team. Strictly speaking this is true, however after starting their SAFL journey in season 2012-13 at the bottom in Division 1 most of today's squad have continued their dedication to 'The Gowdie' following many successful seasons playing with Goldenhill Boys Club, formed over 40 years ago in 1971 from their strong roots in Faifley.

Unlike many fledgling teams Goldenhill made an instant impact on the amateur football scene. Three consecutive promotions have propelled the club into the Premier League and cup success was not slow to follow either. In their first season, 2012-13 The Coronation Cup was lifted after defeating East Kilbride. 2014-15 brought more silverware when they beat a fancied Finnart side to win The Centenary Cup. The team is now well-established and are serious title challengers for the Premier League this season.

Tonight's road to the final started in easy fashion with the team scoring 23 goals during the first three rounds. The fourth round provided more goals however Goldenhill were made to work hard for their 6-4 victory vs Carrick. The 5th round saw the team drawn away to Possil YM from the Fosters League, the boys came out eventual 1-3 winners. Tougher tests were sure to come and that was the case when a well organised Bannockburn team travelled to Clydebank. The teams played out a 2-2 draw. Goldenhill left it very, very late, equalising in stoppage time to take the game to extra time. A 5-3 penalty shoot-out win took the team into the QF where a strong Hurlford side lay in wait. This was another thrilling match, the game finished 3-3, more extra time and penalties followed. Gowdie advanced after another 5-3 shoot-out win. The semi-final brought a rematch of their Scottish Cup tie against an excellent Colville Park side. The lads were determined to make amends after that narrow loss, and yet again the game needed extra time to decide the winner. Goldenhill conceded an early goal but played possession football to get themselves back into the match. It ended 1-1 after 90 mins and the boys were determined not to take the game to penalties, Gowdie remained resolute and grabbed a deserved winner to qualify for tonight's final. Everyone associated with Goldenhill are thoroughly looking forward to tonight's great occasion and whilst we wish Shortlees all the best, the boys will be hoping they are singing along with their superb supporters 'Super Gowdie Ole!' at the end of the night.

Gary Murdoch (Goalkeeper) I have been after Gary from Galston Amateurs for three years, and was delighted to sign him this year. Big Gary doesn't know if he is big or small, is hard to please regarding GK kit, and we don't know what to get him.

William Mason (Defender) A stalwart in the game for over 25 years, ex captain of Auchinleck Talbot, where he captained the team for ten years. This veteran shows no sign of slowing down even in his twilight years, and won players player of the year and committee player of the year last season.

Greg Calder (Defender) Has come on to his game in the last couple of months, after a slow start to the season, where he was in and out of the team, has worked hard the second part of the season proved to be our best right back, and has earned his place the hard way, in this team.

Graeme Anderson (Defender) Came from Bonnyton under 21's. He is young and still has a lot to learn in the game, but he is learning fast. Has had a great season.

Gordon Minor (Defender) The towering centre half, standing at around 6"6" so doesn't look up to too many people, has had an immense season and has been a rock in the front of the defence. He is the quiet assassin and likes to go about his business in a quiet fashion.

Jim Caldwell (Midfield) Another veteran of the game, and probably one of the most decorated amateur players in amateur football today. Having won everything in the game at numerous clubs. Has an engine which isn't as fast as it used to be but will run all day and gets better once it heats up at around the 75 minute mark.

Ryan Telfer (Midfield) This boy has probably had to improve the most to get into this team. Not many get passed him, as he is a determined little guy.

SHORTLEES AFC

AYRSHIRE AFA

Keir Knapp (Midfield) He is a player who can make football look so easy and glides past players. He has been immense since he came back from a serious life threatening injury earlier in the season. Much of Shortlees success has a lot to do with him.

Joe Gold (Midfield) Joe never says much about football and does his talking on the park. One of the nicest guys you could ever meet. He wouldn't say boo to a mouse, but when he puts his boots on and crosses that white line he changes into someone different. the complete midfielder who has everything you need to play there.

Alexander Duffy (Midfielder) Alex is fit and exuberant, has blistering pace, is good in the air, he can score spectacular goals. He has played in a few different positions this year for the team, and done well in all of his roles.

Greig Rankin (Forward) Came in to the team this year where he was in and out of the starting line up. He has been a bit of a surprise package this year as it seemed he was struggling. He worked hard for his place after having words with the management. there is no doubt his improvement has been incredible at the turn of the the year especially. He is quick and good in the air.

Lee Hardie - Been with the club since we started back up . Young and fast can change a game with his pace and crossing ability on either flank.

Kerr Dale - Another young lad with lots of potential with a good football brain, on his game he is a neat and tidy player who likes to play football the way it should be played.

SHORTLEES AFC

AYRSHIRE AFA

Ricky English - Signed from Galston AFC a few seasons again. Great right back who suffered a leg break in last year's Ayrshire Cup Semi-Final, still getting back to the high standard he previously set.

Ross McLaughlan - Plays on the right hand side, either full back or right Mid. He puts in a full shift and work tirelessly up and down the park.

Ryan McRoberts - Another boy who has been with the team since the start, small in size but not afraid of anyone, would run through a brick wall to help the team with his never say die attitude.

Craig McIntosh - First season with the club, another who has blistering pace and can change a game, he puts in a full shift working for the team.

Mark McLean - Signed from Wallacetoun AFC where he scored a lot of goals, still settling in to the team but on his game he can be a match winner.

Grant Forbes - Young lad in his first season at amateur lots to learn but has bags of potential.

Owen Quigley - Late signing but he has played at a higher level and it shows with this touches and awareness on the pitch just lacking a bit of fitness to last 90mins.

SHORTLEES AFC

AYRSHIRE AFA

Shortlees AFC started back up in 2010 by James Cunningham (Manager) after one season as a Sunday League Team as there used to be a Shortlees Amateur team in the 80s and 90s, which was fairly successful, winning their Leagues and the Ayrshire Cup, although there wasn't success at National level.

James bought the local pub in 2009 and started a pub team, where they had success in their one and only year winning the league and cup double. But they always craved to have Shortlees AFC back, and as James used to be the trainer of the previous team, and he wanted to start Shortlees Amateurs back up.

James formed a committee, and joined the Ayrshire Amateur Football Association, where he admits, it has been a long hard slog and a lot of hard work. They struggled for a couple of years, due to the lack of players, but the hard work is now coming to fruition.

Shortlees have since went up three divisions and to their delight, have had a short and meteoric rise to the top of the amateur game, which they are very grateful for and are delighted to be here today. They try to play entertaining football the way it should be played and hope to continue to play at this level, for as long as they can and with a bit of luck, win some silverware along the way.
