

Below are the instructions for submitting the result of your cup tie by text (SMS). This is also a requirement and must be followed by all 'Home' teams in each round. The system allows you 4 hours from Kick Off time to submit your result. Failure to comply will result in a £10 fine to the club.
Thank you for your cooperation with the process.

Instructions for submitting results by text

Once the game has ended, the system will send up to 3 text reminders, at 10 minute intervals, to the mobile phone number (as provided on the affiliation form) of the club secretary of the 'home' team. The 'home' secretary then simply replies to one of the reminder texts in the following format: "SAFA" followed by a space, then the home score, followed by a space and then the 'away' team score:
