AYRSHIRE AFA

It gives me great pleasure to welcome you all to the National Stadium here at Hampden for the 2018 RJM Sports Scottish Amateur Cup Final.

On behalf of the Scottish Amateur Football Association, I would like to convey our thanks to both Queens Park F.C. and Hampden Park Ltd for hosting our Cup Final at the National Stadium, and I am certain everyone, and in particular all of the players will thoroughly enjoy using the fantastic facilities and playing at the home of Scottish Football.

I would also like to offer our grateful and sincere thanks to RJM Sports for their continued sponsorship of the Scottish Amateur Cup, and of course other competitions within the Association, we are most appreciative of their support, and hope it will continue for a long time to come.

My congratulations go to both Finalists today, Shortlees Amateurs from Ayrshire AFA, and Goldenhill AFC of the Scottish Amateur FL, they have both had to work extremely hard to be here today, such is the competition to reach the final of the Scottish Amateur Cup, which started out with 598 teams, so to get here is an achievement in itself, I wish both sets of players the very best of luck.

We have an experienced set of match officials today, and they should be congratulated on their appointments to this prestigious match, I hope they enjoy the match and have no real issues to deal with, good luck gentlemen.

Of course a competition such as the Scottish Amateur Cup, does not happen by magic, and a huge amount of effort has to go into staging all the ties from round one through to its conclusion today, so I must thank our Technical Adviser, Stephen McLaughlin, our Referee Coordinator, Iain Cowden, who with National Secretary, Thomas McKeown and Administrative Assistant Mary Jardine, helped to bring the competition to the final stage today, and of course we should never forget all the Match Secretaries throughout the country and sundry club officials, without whose help we could not have progressed the tournament so successfully.

I hope all concerned enjoy their day, and that Shortlees and Goldenhill serve up a final to remember, and may I again thank all of you for attending today whether supporting the team of your choice or simply to watch a great game of Amateur Football, The Scottish Amateur Football Association hopes you will have a fantastic experience. All that is left for me to say now is that I of course wish both competing sides the very best of luck, and may the best team win.

Welcome to Hampden Park the National Stadium for the RGM Sports Scottish Amateur Cup Final the highlight of the Scottish Amateur Season and today is special to both finalists who have never won the Cup previously Shortlees AFC from Ayrshire AFA and Goldenhill AFC from the Scottish AFL.

Congratulations to both clubs Shortlees AFC and Goldenhill AFC having come through the nine previous rounds from 598 competing clubs to reach today's final. also I add my congratulations to today's Match officials Referee Kenny Taylor (Aberdeenshire AFA) Assistants 1) James Gallagher (Central Scottish AFL) 2) Kevin Fernie (Lothian and Edinburgh AFA) 4th Official David Somers (Central Scottish AFL)

The Final is special not only to the clubs but to the match officials I hope they all enjoy the match and come away with good memories of today. Having watched both clubs in previous rounds including the semi-final matches I am looking forward to a very exciting and thrilling final that I hope all those in attendance enjoy.

There are a number of people to thank. Robert Marshall and all at the staff RGM Sports for their sponsorship of the Scottish Amateur Cup for assisting and supported me to reaching today's final. All the League Match Secretaries who supplied the referees in previous rounds. I am sorry I could not reward all the referees but I do thank them for officiating in the previous nine rounds.

To Scott Struthers and Hamilton FC for the use of New Douglas Park for the Semi-Finals. Scott as always is an excellent friend to the Scottish Amateur FA. Hampden Park Limited for the use of Hampden Park for the Final.

To the Office Staff Stephen McLaughlin for his weekly organisation in the Scottish Amateur Cup and Mary Jardine whose valuable help is always appreciated.

The one person I am indebted to is The National Secretary Thomas McKeown for his friendship and assistance throughout the Cup competition enabling me to reach this Final very much appreciated.

All that remains is to wish all the participants and their supporters all the very best in today's final enjoy the occasion.

RJM Sports Scottish Amateur Cup Semi Final
Bannockburn AFC (CSAFL) 0 Shortlees AFC 1 (Ayrshire AFA)
Monday 23rd April 2018
New Douglas Park, Hamilton

Shortlees were reformed in 2010 after a few years away from the AAFA leagues.

Jim Cunningham started the team back up after running the Sunday League team. They started off slowly and gradually worked their way up through the divisions until they reached the Premier in Ayrshire a few seasons ago.

Honours won since we were reformed have included First Division Champions , James Scott Cup winners , Ayrshire Cup Winners and West of Scotland Amateur Cup Winners.

Player/Manager. Billy Mason. Used all his experience on and off the park to get us to the Final. The man who has the respect of all the players coaches. Archie Bell , Tommy Campbell , Billy Thomson. Vast experience team from all levels of Scottish Football who the team also look up to.

First Aider Kenny Thomson works tirelessly for the club with a lot of unseen jobs another who the players look for on match day

Club Secretary John Sivewright is former player who does all the arrangements for match days.

Treasurer/General Manager Jim Cunningham . The guy who started it all again , Mr. "I do it all", Jim and his wife Hannah are the main sponsors of the team.

Committee. Alan McLaughland , Drew Paterson. Guys who no Amateur Football Club can do without , work tirelessly to make sure everything is taken care for the team on the day.

A great management/committee who are very close and want the best for our local community team.

Gary Murdoch (29) (Goalkeeper)

Joined the club in 2014, and been the No1 goalie ever since, he was tremendous in the semi final and his performance that day s probably the reason we are in the final. We are hoping for the same form in the final, Gary is having one of his best seasons.

Kerr Dale (24) (Defender)

Joined the club in 20012 and has made the left back his own, has matured in to a great attacking LB.

Billy Mason (46) (Defender)

AKA The Captain, joined in 2014, the player manager, who started his managerial career this season, and has taken us to the final in his first season, among others. This wily old veteran is almost 48, and is still playing at the top level of amateur football, he is respected all over Scotland in the football fraternity, and is still playing because of his desire to be a winner.

Gordon Minor (32) (Defender)

Our tallest player at 6' 5". came to the club in 2014, big strong central defender, who because of his height is an essential player for Shortlees, both in defence and attack.

Ritchie Mullen (35) (Defender)

Came to the club this season, and made an immediate impact to the team because of his power in the air, he has a great engine and works his socks off in the middle, and also can assist in attack.

Greg Calder (34) (Defender)

Came to the club in 2014, another veteran of the game, can play in most areas of defence, has bags of experience, doesn't fluster under pressure, swings great balls in to the opposing box, and helps in attack.

Ryan McRoberts (32) (Defender)

Been with Shortlees from the beginning in 2010, and work commitments means he hasn't been as involved this season as he would like. Very capable, don't let his diminutive size fool you he can dig as hard as anyone in the game. plays anywhere at the back or wide.

Mark McLean (31) (Defender)

Has been with the club since 2015, had a serious leg break in 2016, is working himself back to fitness. Very comfy in the ball, and can play anywhere on the park, except in goals.

Kieran Paterson (25) (Midfielder)

Came to the club as midfielder in 2016, has now found himself playing in defence where he can use his long range passing to better effect.

Keir Knapp (29) (Midfielder)

Our team Captain, came to the club in 2014, is well known in the amateurs where he, along with a few others in the team has won everything in the amateur game. Can turn a game in a heartbeat, everyone knows what he can do on his day, is very slick on the ball, and can be entertaining.

Joe Gold (33) (Midfielder)

Came to the club in 2014, has been the main midfielder for us ever since, a great credit to the amateur game. Lets go Joe, does his talking on the park, a winner on it, and a winner off it, Classy.

Dougie Robertson (25) (Midfielder)

Came to the club in 2016, has a great engine, and can run all day, works really hard to get the ball back, is intelligent. Runs at defences, where his pace is very worrying for them, can score important goals from nothing.

Jim Caldwell (39) (Midfielder)

Probably the most decorated player in Ayrshire Amateur football. Came to the club in 2012, left the following season, came back again in 2014. Born and bred in Shortlees, no one will give more than him, if selected. another veteran of the game but still very capable on his day.

Kris Chisholm (21) (Midfielder)

From Shortlees, came to the club in 2017, Kris is a tremendous passer of the ball, probably the most gifted footballer in the team, but injuries this season, have meant he hasn't enjoyed a serious and continuous run in the team, first team player when fit, and can put the ball on a germ, a joy to watch.

Reece Lyndsay (25) (Midfielder)

Joined the club late this season, Comes from Shortlees, has had to jump in to a match fit team when required, and has given his all, when asked. will love his day out, like the rest of us.

Steven Shankland (30) (Forward)

Came to the club in 2016, a real find, tough as they come up front, where he likes to get stuck in. Good in the air and he doesn't score many bad goals, though we would take one or two today.

Owen Quigley (35) (Forward)

Came to the team in 2016, already well known in the amateur game because of his goal scoring and the nickname of Pele, has been brilliant this season, although he doesn't quite match up to his name sake, but really, who does.

Greg Rankin (30) (Forward)

Came to the club in 2014, fast, good in the air. Quite quiet on the park, but don't let that fool you. He needs to dink the ball over the goalie more often, as this is his speciality. can win games with his goals, we hope he gets one tonight.

John David Muir (21) (Forward)

AKA JD, from Shortlees, came to the club this season and settled in nicely, still young, but when he is on his game can fly past defenders with his pace, and has scored some terrific goals for us this season, very quick.

Roy Barr (21) (Forward)

From Shortlees, came to the club this season and has scored goals whenever selected, he is still very young, but very driven. He will want Shortlees to do well tonight, whether selected or not, he is very emotionally attached to the team.

Reace Syed (27) (Midfielder)

Reace is a lively wide player who can play on either flank. He may not be the tallest but still manages to win his fair share of aerial duels. Always keen to get to the bye line and deliver opporuties for the strikers.

Ian Stevenson (30) (Midfield / Forward)

Industrious forward / wide player. Ian hasn't always featured this season, when called upon he never let his team down with his effort.

Pacey wide man. Jonny is equally comfortable playing up front, weighing in with his fair share of goals. He has found the net 20 times so far this season.

This season has been nothing short of a sensation for the goal juggernaut. Jamie has pace, skill and a goal tally to match. More than 60 goals this season testifies to that.

Danny Gibson (25) (Forward)

Injury has curtailed Danny's contribution this season. On his day he can cause defenders all sorts of nightmares with his pace, eye for goal and his burning desire to win. Has the potential to be a match winner.

GOLDENHILL AFC HISTORY

RJM
SPORTS

Goldenhill Amateur Football Club, based in the Clydebank area may appear from the outset to be a relatively new team. Strictly speaking this is true, however after starting their SAFL journey in season 2012-13 in the bottom tier of the SAFL set up in Division 1. Most of today's squad have continued their dedication to 'The Gowdie' coming through the ranks following many successful years playing with Goldenhill Boys Club, formed over 40 years ago in 1971 from their strong roots in Faifley.

Unlike many fledgling teams Goldenhill AFC made an instant impact on the amateur football scene. Three consecutive promotions propelled the club into the SAFL Premier Division. Cup success was not slow to follow either. In their first season, 2012-13 The Coronation Cup was lifted after defeating East Kilbride.

2014-15 brought more silverware when Gowdie beat a fancied Finnart side to win The Centenary Cup.

2015-16 seen the team appear in their first major final, narrowly losing out 2-1 to today's opponents Shortlees in The West of Scotland Cup.

The team is now well-established and are serious title challengers for the SAFL Premier league this season, currently undefeated in the league campaign.

The road to the final started with a bye. The next four rounds were taken care of in relatively easily fashion with the team scoring 31 goals in their next four ties. This included away trips to Aberdeen and Edinburgh.

Tougher tests were ahead. Following a replay victory over Tullibody. Gowdie were again drawn away in the 7th round against a tough Sandys' side from Edinburgh. The first match ended 2-2 and replay at The Donald Dewar Centre was required. Gowdie came out on top of a five-goal thriller with goals courtesy of Gallagher, Dyer and Gibson.

The quarter final brought a home tie against their old friends Oban Saints, also from the SAFL. A 3-1 win set up a semi-final against Bridgewater, scorers on the day were Moore, Dyer and Gibson.

The semi-final, as expected was an edgy affair. Once both teams settled, Gowdie dominated the first half and deserved to go in ahead. Bridgewater made life tough in the second half and came close to drawing level on a couple of occasions. The Gowdie defence remained resolute, a feature of their season so far. However, come the final whistle, it was Jamie Gallagher's first half strike that separated the teams ensuring Gowdie's passage into the final.

Everybody at Goldenhill AFC would like to extend a special thanks to all of their sponsors. The local business community responded brilliantly when news spread that the team had lost a set of strips and training equipment as a result of a fire at their laundrette. Following this generosity, the team were able recoup most of their losses. Replacement strips, tracksuits and training tops were purchased all lost in the fire. These are essential pieces of kit that allowed the club to continue competing this season. Thank you to ATT Builders, Clydebank. The Village Tavern, Duntocher. Mexita Takeaway, Dalmuir Respray Your Kitchen and Furniture Ltd, Yoker.
